ORDER:

In the reference read above, the Member, NDMA, GoI has requested to establish a separate Drought Monitoring Cell (DMC) with adequate staff, which is to work directly under the control of SDMA and to collect data of water levels in reservoirs and tanks, regularly from affected Tehsil (talukas) and below on regular basis and to regularly monitor the ground water table in the drought prone areas. The collected data should be made available on-line to all the Stakeholders.

2. South West Monsoon for 2014 commences from 1st of June and continues up to 30th September 2014. During the South-West Monsoon, the rainfall and flood situation in major rivers need to be regularly monitored.

3. Government hereby constitute a Committee with the following Officials to monitor the rainfall situation during the South West Monsoon Season, 2014 which shall also function as Drought Monitoring Committee:-
